

State of Delaware's Degree Directory

The State of Delaware's Degree Directory is provided to applicants to help in your job search efforts. It is a list of job classes that require certain degrees to qualify and may be a useful tool when searching for positions. This directory is not an all inclusive list. For the most detailed information about degree requirements please refer to the actual job classification. An alphabetical listing can be found at: <http://www.jobaps.com/de/auditor/classreports.asp>
