

## Opportunities

### Delaware Division of Libraries is seeking applicants for an AmeriCorps VISTA position starting August, 2017

The VISTA member makes a year-long, full-time commitment to serve on a specific project. VISTA's will assist library staff with development of outreach plans; and the development of model programs/services specific to STEM.

#### STEM

The objective of this VISTA project is for the member to develop a well-designed strategic plan to enhance the STEM resources available through public libraries.

The VISTA member will work with library staff and partner organizations to manage the ongoing development of library-based community resources and services. The emphasis of the program is to support the educational needs of at-risk youths by expanding Science, Technology, Engineering and Mathematics (STEM) and MakerSpace activities in public libraries.

Apply Online at <https://my.americorps.gov>

#### In return for their service-

AmeriCorps VISTA members receive a modest living allowance and health benefits during their service, and have the option of receiving a Segal AmeriCorps Education Award or post-service stipend after completing their service.

VISTA members generally do not provide direct services, instead, they focus their efforts on building the organizational and administrative capacity to help DDL better serve our communities. VISTAs develop programs to meet a need, write grants, policies and procedures, and recruit and train volunteers.
