

Opportunities

Delaware Division of Libraries is seeking applicants for TWO (2) AmeriCorps VISTA position starting February, 2018

The VISTA member makes a year-long, full-time commitment to serve on a specific project. VISTA's will assist library staff with development of outreach plans; and the development of model programs/services in two specific areas with one member for each category.

STEM

Work with library staff and partner organizations to manage the ongoing development of library-based community resources and services. The emphasis of the program is to support the educational needs of at-risk youths by expanding Science, Technology, Engineering and Mathematics (STEM) and MakerSpace activities in public libraries.

Healthy Futures

Provide educational outreach, process review, and capacity building of existing healthy future programs throughout the Delaware Libraries and partnering organizations.

Apply Online at <https://my.americorps.gov>

In return for their service-

AmeriCorps VISTA members receive a modest living allowance and health benefits during their service, and have the option of receiving a Segal AmeriCorps Education Award or post-service stipend after completing their service.

VISTA members generally do not provide direct services, instead, they focus their efforts on building the organizational and administrative capacity to help DDL better serve our communities. VISTAs develop programs to meet a need, write grants, policies and procedures, and recruit and train volunteers.
